Cynocephalus (pl: **Cynocephaly**[1]) or **Doghead**[2] is a humanoid creature that resembles a dog-headed monkey.[1] They are social creatures and live in packs, making them particularly dangerous to deal with.

Information	
Variations	Doghead
Occurrence	Dark, underground areas

They live in dark, underground areas such as mines[1] and in the wastes of Zangvebar.[2]

According to *Gnomish Prankings*, a cynocephalus urinates at the toll of each hour and thus Zangvebarians engrave the creature on clocks and compasses.[2] It's hard to say if this is true or not due to the book's nature being about pranks.
